Johnny B's Entertainment

"We Prepare More, We Care More, We Deliver More!"

Thank you for contacting Johnny B's Entertainment and inquiring about the services we have to offer. We hope that the enclosed information is helpful to you and answers any questions you may have.

Johnny B's Entertainment: Johnny B's has been providing high quality entertainment for receptions, parties, and other events throughout the state of Arizona since 1981. We have a complete staff of entertainers to choose from. Our entertainers are well-trained and they provide the perfect blend of music and entertainment that will silence any critic. Their personalities and music knowledge make a perfect combination which will have you walking away from your reception with a piece of mind.

Music Selection: Johnny B's Entertainment has one of the most exclusive music libraries in the industry. With over 40,000 titles, we can handle any music request from as early as the 1920's to as current as this week's billboard charts. Our selections include: Big Band, Spanish, Ethnic, Country, Jazz, Hip Hop, R&B, and Rock. We assure you the best variety of music to make sure your event is a memorable one. And, of course, you can request as much of your own music as you would like.

Master Of Ceremonies: Our entertainers will emcee at your event. They will introduce the wedding party as well as act as consultants, while working with you in advance to make sure nothing is left out. Weddings are very important because of the traditional events that are involved, and our entertainers are trained to make sure they go the way YOU want them to go.

Attire: Our entertainers are dressed appropriately, with a suit, tie, and a jacket. They are a reflection of our company, which means no visible tattoos, no earrings. They will be one of the best dressed people at your wedding. We have an image to uphold and that is very important to us. Tuxedos are provided upon request.

Equipment: Each entertainer is experienced and equipped to perform for parties up to 20,000 people. Our equipment is second to none. And, of course, back-ups are available just in case.

Date: Your event is scheduled for _____ . That date is still available and these are the prices that we discussed that would be in effect for that date:
